

ACCREDITED EXECUTIVE MANAGER QUALIFICATION

Internationally Recognized Certification

Accredited Executive Manager Qualifications verify the knowledge and skills of senior managers seeking to enter, or already in senior executive (C-Level) positions. Candidates for the examination will demonstrate comprehensive MBA level knowledge across a full range of internationally validated business management competencies.

The Degree Alternative

GIAM qualifications provide individual managers at all levels with a time-efficient, cost-effective scheme of learning and assessment which ensures they have the knowledge and skills to lead and manage effectively at their level of authority.
